Crazy and long day today. We amended 3.54 as most people supported. However, after two months and 141 pages of input, it was unanimously conveyed to our Board — and personally very frustrating for me to learn —that there was no way for us to confirm if a person in our custody is documented or not.

I found that very disappointing. Obviously there was no support from anyone for calling ICE to pick up someone we didn't know was a US citizen or not, so nothing was changed in that respect.....M

Dear Supervisors:

Certainly anything that can be done to alleviate the major problem of criminals in Sanctuary Cities would be the correct thing to do. Criminals that we have should be turned over to the proper authorities to keep our city safe. It is becoming very dangerous.

Thank you.
